

NEW!

MASTER KEY NOTE SELECTOR

PAT. U.S.A.

Now, at last, the Perfect Accessory to the world famous MASTER KEY PITCH INSTRUMENT to facilitate its use under extreme conditions. A MUST for Music Directors, Teachers, Students and Professional Musicians.

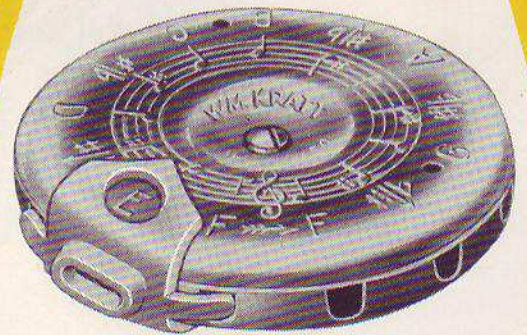

**GIVES YOU YOUR
NOTE IN THE DARK!**

- Made of tough, durable high impact styrene.
- Slips on and off pitch pipe with ease.
- Once positioned, the Note Selector, with its ratchet stop action, cannot be accidentally shifted.
- Large windows clearly show the note opening selected.
- Changing from one note to another is fast and simple.
- No longer necessary to grope and fumble hurriedly in the dark to locate the proper note opening.
- No more accidental blowing of two notes at the same time in the dark.

EXCLUSIVELY FOR USE WITH THE
MASTER KEY PITCH INSTRUMENT
